HORT 685 JUSTIFICATION
(Attach additional information on syllabus if appropriate)

Title: _____

Description of Proposal Problem (If the 685 primarily is to take an undergraduate course, detail expectations over and above the normal class requirements that justify graduate credit):

Final Reports/Papers/Presentations Required of Student:

Grading Scale or Basis for Assigning Final Grade:

Duration of Problem: Begin: _____

End: _____

Recommended Credit Hours: _____

(Graduate College Memorandum 86-10 suggests 45 clock hours work per semester or 3 clock hours per week for each 1 credit hour of course credit. Summer semester requires more weekly hours due to the condensed timeframe.)

Note that HORT 685 can be applied toward degree plan requirements, but cannot be substituted for the minimum number of regular courses required at the graduate level for degrees in Horticulture.)
